Weddings at Hanger Farm Arts Centre

Hanger Farm Arts Centre is a popular wedding reception venue on the edge of the New Forest. It is a beautiful, characterful barn with exposed wooden beams and a spacious feel that helps explain its enduring popularity.

Our couples tell us that its friendly, welcoming atmosphere is the barn's trump card, with staff who go above and beyond to make your special day perfect.

You can welcome up to 140 guests for your wedding breakfast in our theatre space, which is our main function room. Afterwards the area can be transformed for an evening of dance and music to cap off your special day.

We can't wait to welcome you.

Your perfect wedding venue awaits...

You will be blown away by our stunning converted 18th century barn at the heart of the Totton community.

Our couples tell us that they chose to spend their special day with us for our:

- **Beautiful, historic interior with exposed beams throughout**
- **Spacious and flexible reception rooms and exclusive use of the building**
- **Friendly and welcoming staff**
- **Quiet, rural location that is just minutes from the motorway**
- **Level access to all areas that makes your wedding accessible to all.**

We have hosted dozens of weddings, from intimate affairs for a few dozen guests to elaborate celebrations for 140 people. From the day you book your wedding our experienced staff will support you as you plan for your big day, working hard to make sure everything is perfect.

You will have access to the entire arts centre from 12-5pm the day before your wedding to set up and access from 9am on the day itself for finishing touches.

We have fantastic light, sound and technical systems, along with skilled staff who are on hand to ensure that your big day runs smoothly. This is in addition to staff to run the on-site bar and serve the welcome drinks and toasts.

Of course, what would a wedding be without food? Our main theatre space is the location for your wedding breakfast before being transformed into the dancefloor for the evening.

We also have a large foyer with fully licensed bar and our gallery area is ideal as a breakout space or for serving an evening buffet.

You are able to choose your own caterers for a sit down meal, a hot or cold buffet or an informal approach – hog roasts are very popular.
